Consent Agenda

Approval of minutes for June 24, 2026

ACTION: Moved by Councilor Fuentes to **APPROVE** Minutes for June 24, 2026. Councilor Little seconded the motion. All aye/motion passed.

Public Health in Action

- Language Access Line
 - Presented by Marissa Armstrong, Public Health Communications Manager
 - Topics covered include barriers experienced by people who speak languages other than English trying to reach Public Health by phone, an overview of the Public Health language access voicemail system, and review of the language access voicemail data from the first 18 months of the system.

Director Update

- Cyclospora Foodborne Illness/Outbreak
 - Dr. Alan Melnick, Clark County Health Officer, provided an update on the outbreak, how the illness is contracted and spread, and as of today, no evidence exists of the outbreak affecting Clark County.
 - Dr. Melnick emphasized importance of washing fruits and vegetables before consumption.
- Bats and Rabies
 - Dr. Alan Melnick, Clark County Health Officer, provided information on bats, noting they are the only species that carries rabies in Washington state.
 - Dr. Melnick encouraged assuming all bats are carrying rabies and advises people to never touch or handle a bat.

Public Health Advisory Council (PHAC) Report Out

- Emily Estes, Public Health Advisory Council Vice-Chair, stated PHAC has not met since the last Board of Health meeting, that the membership had a positive response to Public Health's "Prioritizing Places" place-based work, and they have been discussing how to bring community priorities to the Board of Health.
